

It is important for pets to wear an ID tag on their collar. Do you know why? It is how a pet identifies itself to people. A lost pet can be found by having proper information placed on its ID tag. ID tags come in many shapes and colors. Can you name the shapes of the different ID tags?

**Color each of the tags
YELLOW, BLUE, GREEN, RED, and PURPLE**

This coloring page was inspired by a dog named Maddie, the frisky, energetic, loyal and loving companion of Cheryl and Dave Duffield. Because of their enormous love for Maddie, the Duffields created a foundation called Maddie's Fund to save the lives of shelter dogs and cats throughout the nation.
