

Fun Activity for CATS!

Many cats really enjoy playing. Playing is an excellent way for cats to exercise and stay in shape. Follow the directions below to make a fun toy for you to play with your cat.

Here is what you need:

Aluminum Foil

Directions:

Rip off a square of aluminum foil (ask an adult to help you if you need help). Using your hands, squeeze the foil into a tight ball. Quietly approach your cat and gently roll the foil ball across the floor in front of it. See how much fun your cat will have chasing the foil ball.

If you don't have a family cat, you can still make a foil ball and donate it to the local animal shelter. Shelter cats also enjoy playing with foil balls!

This coloring page was inspired by a dog named Maddie, the frisky, energetic, loyal and loving companion of Cheryl and Dave Duffield. Because of their enormous love for Maddie, the Duffields started a foundation called Maddie's Fund[®] to save the lives of dogs and cats throughout the nation.
